

Goodness of Wit Test #12: Straightforward! (CHANCE Vol. 24, No. 2) by WITZ (Jonathan Berkowitz)

This puzzle celebrates the 125th anniversary of the publication of a landmark statistical work. The wordplay from each clue produces an extra letter which must not be included in the answer. These letters, read in clue order, will spell out where the article appeared. Three entries are unclued; the author's name appears in 20Across, and two important words in the title appear in 1Across and 35Across.

Across:

- 1 *Title Word*
- 8 Start of cartoon set endless piece of animation (3)
