

Goodness of Wit Test #15: Heads or Tails (CHANCE Vol. 25, No. 1) by WITZ (Jonathan Berkowitz)

Instructions: Twelve clue answers must be altered to fit into the grid; six in one way and six in the other. The mode of alteration is up to you to figure out. In each of these twelve clues, the wordplay matches the unaltered word, while the definition is for the altered (i.e. grid entry) word. The other clues are normal. All grid entries are dictionary entries. Enumerations are withheld.
