

## Goodness of Wit Test #16: Logical Shortcomings (CHANCE Vol. 25, No. 2) by WITZ (Jonathan Berkowitz)

**Instructions:** Nine of the clue answers must be altered to fit into the grid. Five answers will be altered in one way, three will be altered in a second way; one requires both alterations. The mode of alteration is up to you to figure out. One entry is unclued; determining what it is will help you figure out one of the modes of alteration. Enumerations are withheld.
